Back before winter started,
Before ever any broken hearted –
Springs emerged summers yearned,
Animals desired heads turned.

Melodic words woman wise,
Pure possibility wide open eyes –
Beginning again whoever could count,
Lotus blossom eternal fount.

Encouraging and promised messenger,
Family maker global venturer –
Warm greetings welcomed guests,
Bedtime stories absolute best.

her job though not at all easy,
Irresponsible declined it so did lazy –
Sometimes must climb hills alone,
Made of love 'dure like stone.
