MORNING light day won't forget,
Village fountain silhouette –
Unpredictable springtime ways,
Forgiving wintered yesterdays.

WARM sparkling wondrous beginnings,
Excitement enthusiasm hint unending –
Drops of spinel summer rain,
First kiss already untamed.

REWRITE the rule book if you take the notion,
Including rainbows and perpetual motion –
Count the stars stir the waters,
Reliable mother loving daughter.

SATURN comments about the room –
Get the dust cloth mop and broom,
Patience organization understanding,
Careful as hummingbird making a landing.
