Down to Earth, confident, grounded,
Springtime Goddess Love compounded –
Tiger colored swallow tail,
On purple velvet forest trail.

Gallant lily in a riverside Garden,
Sensual, no beg your pardon –
Your key's not to fear to pay,
The price of being picked today.

Intuitive mind every which way text,
No one knows what you'll say next –
Satin sheets, chocolate heart,
Dancing, swimming water-color art.

Morning and the birds are all talking,
You're out there early innocent walking –
Ready for what the signs suggest?
Save the World. Time's not a test.
