After supper kitchen light,  
Dishes done floor drying –  
Embroidered hem forgiving night,  
Someone somewhere softly crying.

Spiral trail prints in clay,  
Perfect symmetry-breaking ways –  
Already be there if she could,  
Soothe our tears as woman would.

Semiotic moon opal heart,  
Pas de deux difficult part –  
Building gathering melting climbing,  
Calla lily altered timing.

Chaos in a holding pattern –  
“Deep thinking,” advises Saturn,  
“Ask where coming from why going,  
What dénouement foreshadowing.”
