Sun climbing mountainsides,
Sparkling brooks Mother abides –
Pine forest feathered Friendships,
Guide on path distant trips.

Purple cloth embroidered gold,
Delicate balanced careful bold –
Spun from sacred circumstance,
Moonlight a dash of chance.

Threading cross a starry night,
Noonday to candlelight –
Clear innocent untamed true,
Rose petals sprinkle of dew.

Persevere a while longer,
Helping life growing stronger,
Teacher leader human adept –
Just one difficult more steep step.
