

L****

Sometimes pure mountain moonlight,
Can do things almost overnight –
Everythings got to be just perfect,
For the magics full effect.

Evening veranda twenty-first floor,
Whisperings of forever more –
Grace mystery emotionally strong,
Spiritual Mother righter of wrongs.

Lavender details you'd never guess,
Neat organized dramatically blest,
Cooperative nurturing assertive enduring –
Honesty and balance her souls securing.

Reliable you probably already knew,
For her its evidence logic feeling too –
And yes absolutely all about fairness,
Only with equality comes true awareness.
