
Desert sun Persian blue sky,
Double blinking beholders eye,
Radiant fractal strands of gold –
Not one thing can she be told.

Heavenly mother her own timing,
Confident laid back never minding –
Fragile emerald caring emotions,
Love you madly given the notion.

Garden emerging strange eclipse,
Creative resources at fingertips,
Matter of fact forever reaching –
Where to the children beseeching.

Judging by the looks of things,
Including message the media brings,
Path we're on just can't last –
Hail Mary need your help fast.
