Deep in a forest campfire light,  
Telling stories late one night –  
Careful leadership personified,  
Creative, assertive, solar energized.

Skilled at ironing out difficult wrinkles,  
Hosting guests, making eyes twinkle –  
Not too worried about what others say,  
Has his own ideas about every day.

Golden hearted life expression,  
Smiling confident patient exception –  
Not much he hasn't tried,  
Travels too, the whole world wide.

Wait one second before you go,  
Something important you need to know –  
Up ahead's a mountain pass,  
Would you we've a chance.
