Distant horizon steep plateau,
Lone silhouette deepening shadow,
Confident assertive naturally horsebacked –
In western hat he never lacked.

Whatever tried learned to do,
Careful with your feelings true –
Critical analytical goal oriented,
Target of cupid's arrows pointed.

Creating reality mending seams,
Cascading chances worried dream,
Countless friendships treasured memories –
Heroes coincidences mythic allegories.

Eagle lifting from cliff to soar,
Precious ones to live to die for –
Authenticity can cost you everything,
The role of savior are you willing?
