

S***

Summer evening claret cloud,
When the fairies are allowed –
Mountain silhouette shawl of stars,
Venus in leadership secrets from Mars.

Infinitissimals reach for perfection,
Every brush stroke every connection –
Reliable love patience of Penelope,
Magic no one else can see.

Signs of you are everywhere –
Heart of reliable Mothercare,
Words at fingertips diamond eyes,
Emerging from chaos undisguised.

You just have to be that honest,
Could this be real or just a test –
Keep your balance equalize,
You know how to harmonize.
