DESERT mountains draped in white,
SILVER of moon fading light,
DAY turning memory FIRST STARS appear –
DISTANT HORIZONS slowly near.

RELIABLE PARTNER long term goals,
STRONG willed fiery soul –
URGING OUR best by his PERSEVERANCE,
SOLID TRUST makes our ASSURANCE.

DOGS goats mountain sheep,
OH the company he keeps –
LADIES and gentlemen timeless friends,
ONWARD upward steepening trends.

INTERROGATES the elementary,
SPRING counts on his TRAJECTORY,
THE change says SATURN you're looking for –
KINDNESS gift giving helpfulness more.
