STORYTELLER we've been longing for,
With narratives of FOREVERMORE –
Purple lightning in the MIRROR,
Shooting star midnight clear.

DIPLOMAT from the Promised Land,
Smiling kindness helping hand –
SPIRIT directed to what's out of sight,
Intent the ending turns out right.

With mind a step ahead of time,
On the Path of Going to find –
Knowing well what's coming down,
Believing hoping trusting somehow.

Heart of the matter inside out,
Friendships what you're all about –
Your pass is waiting at the gate,
Just speak up, communicate.
