A supernova clear inner minds eye,
Dazzling questions a child's why –
Long lost friend, Luck refound,
Horses in numbers gather round.

Intuitive insightful burning ice,
"Letting go," he pays the price –
For absolutely authentic relationships,
A flicker past the Narrative grip.

Everyday Life he comes down the line,
Holds far out notions regarding time,
Laughter, smiles, optimism –
His Love of human kindness tells him.

hope he remember to not look back –
He knows the passages every track,
Thru mountains cellos violins,
To the Land of Everyone wins.
