Perfect host a grand soirée –  
Microtheatrical post-modern stage,  
Setting goals coming garden age.

Speaks teacher dreams poetic,  
Living architecture aoretic –  
Believes in science butterfly wings,  
Miracles wonder inspiration brings.

Firekeeper pathfinder focused mind,  
In a vein a stream of time –  
Mysterious friend without pretension,  
The world a mess no need to mention.

Always knows where to find the answer,  
If monsieur it be your pleasure –  
What drives this world we humans are making?  
What destination the road history's taking?
