

G*****

hARDEST WINTER FEROCIOUS COLD,
CAPRICIOUS STORMS BLIZZARDS BOLD,
AVALANCHING MOUNTAINSIDES –
Heavens will and space collide.

EARTH IN NEED OF SOMEONE VALIANT,
RELIABLE DEPENDABLE EVEN DEFIANT,
SNOWFLAKE MAGIC ALPIN STRONG –
Lucky for life he came along.

GUIDED BY A FATHERS PLEDGE,
PASSAGE JUST ALONG THE LEDGE,
HARD WORKING NOD DESERVING –
PURE GENIUS AT PERSEVERING.

Dedicated deliberate solitary chime,
Now comes the challenge sublime –
Clean up a mess set of planetary scale,
Great grand children will tell the tale.
