Radically authentic audacious bold,
Future intuition near uncontrolled,
Betting on that dream never lost –
Kind lamplighter beloved host.

Active before dinosaurs crawled,
Jungles skies rivers called –
Being conceived sacred roles,
Friendly with transformative goals.

Platinum framing diamond window,
Precious quick receding shadow –
Naturally elegant your flare,
Long distance double dare.

Determined mind fiery heart,
Deep disciplined thought purposeful art –
See cows hear bees smell fields in bale,
Dollars and cents the farms for sale.
