Forever falling out a night sky,  
Catching calling opening eyes –  
Searching reaching for relationship,  
Unending sojourn discovery trip.

Definitive dedicated alas hard headed,  
Talk about being disembedded –  
Puppy playful Picasso composed,  
Never doing what supposed.

Showing ways to escape a nightmare,  
Connective magic love affair –  
Cooperative nurturing careful heart,  
Dramatic passionate spellbinding art.

Enduring friend endless chances,  
Lightning veins rivers branches –  
We desperately need to hear from you,  
You got words can help us through.
