FRIEND maker it happens to say,
FROM where beagles and rabbits play,
Eagles soar chipmunks peek –
Place clouds at sunset seek.

PIRATES never had MORE TREASURE,
Unbelievable in EXTRA MEASURE –
Inspired sharp cuts right through,
Going somewhere just like you.

Falling on leaves flakes of snow,
Laughter and joy all come to know –
Questioning curious about the world,
How grain of sand becomes a pearl.

Lambs in the field deer in the woods,
Not everything right now like it should –
So practice your letters read and write,
We need guidance your love light.
