A lgo l to Amsterdam looking for you –
Left your tracks in the morning dew,
Long the beach in dreams unending,
Clouds pink horizons bending.

NARRATIVE threads double dares,
Brothers sisters scattered everywhere –
Quick and steady animal lover,
Milkyway soul heretical other.

I ntuitive mind naturally inspiring,
Deconstructs our alleged hard wiring –
Friends treasures goals directions,
Always asking one more question.

A ncient actors post-modern set,
Transformational complex kismet –
If magic keep part of your vision,
World of love in your future given.
