PORCELAIN clouds deckled sea,  
PEBBLES rattling certainty –  
Winged cries driftwood dance,  
MESSAGING an outside chance.

BEAUTY goodness self aware,  
ALTRUISTIC heart living prayer –  
OFFERING the world unforgotten dream,  
IMMORTAL love messianic theme.

IF PEACE ON EARTH EVER TO COME TRUE,  
PLANET will need saviors like you –  
LETTING GO narratives facing down fears,  
OTHERS sufferings bring you to tears.

IT'S YOUR painting Monet sighed,  
NO convincing you decide –  
WHAT universe you believe exists,  
WHERE lead us what truth insist.
