Coral necklace opal sea,  
Purple mountain ecstasy,  
Illuminated cello note –  
Crosses the room dances floats.

Moonlight laden sands ahead,  
Embroider the edge long her nest bed,  
No escape the contagious mood –  
Overture or interlude.

Night tears waves endless breaking,  
Inviting spirits ancients waking –  
Forgiveness Compassion Purification,  
Love healing celebration.

No price she wouldn't pay,  
No risk not take to save this day –  
Just one turn a magic key,  
Wade right on into this mystery.
