Quark lineage family of dancers,
Different question startling answer –
Compassionate heart open hand,
Hope wonder dreams span.

Gazing the horizon edge of the sea,
Meditative imaginative born free –
Flesh and blood hero untold worth,
Ever walk the face of earth.

Deepening vortex neath the surface,
River bending sacred purpose –
When wealthy choose to give it all away,
Bread and fishes the promised day.

Loves possibilities adores the arts,
Sacrificial endings precious starts –
Key is creating who we can be,
Beginning this the difficulty.
