A healer's a sailor's carpenter's stars,  
Sprinkled with notes violins guitars –  
Stained glass rainy day Soul,  
Forgiving altruistic Whole.

Keeper of the sacred well –  
Feelingful the willow tree tells,  
Lover of the smallest sheep lost,  
Never minding counting cost.

River through a woods of change,  
Heart of compassion saintly range –  
Known to make wishes come true,  
Water color world purple blue.

Carrying an important message,  
No less Being the missing passage,  
Day dream shadow now is growing –  
Forest Spirit, what should we be knowing?
