

Dolly

Mountain home winter clear,
Heaven twinkling time of year –
Snowflakes in a street light show,
Stone fireplace soft warm glow.

Last time that it got this cold,
Rivers froze sky unrolled –
Crystal moments grown dear,
Opens her heart dries your tear.

Certified trustworthy reliable,
Honest strong incontestable,
Romantic tree-hugger yes we can –
Black rose in a snowbound land.

Incination to make things real,
Saturn pleading to learn the deal –
Actuals most important you know,
Where the time and money go.
