

Flutes cellos haunted trees,
Bleached fields bended knees,
Separation winter warned –
Snowflakes icicles harp string storms.

Out this sacred quiet stillness,
Response ability whatever crisis –
Magic child tested confidence,
Cosmic trust returning innocence.

Six day work week double shifts,
Burdens spirits this hero lifts –
Frees the princess slays the dragon,
Dismantles the ego narrative dungeon.

Saturn texts this up-front message –
Yours to lead through the needed passage,
For you decide the story you want,
Individuate create clarify vaunt.
