

Jonny

Autopoetic human self,
Jumping from medieval shelf –
Mountain river winged song,
Inventing it as goes along.

Telling stories 'bout one another,
Longing for world of serving others –
Homeless sheltered hungry fed,
The impossible all done and said.

Feels reasons minds change,
Break from loops invisible chains –
Might come slowly or with a jolt,
Metamorphosis or lightning bolt.

Key to it all most significant factor –
Imagine a cast of impromptu actors,
Their play depends on being honest,
Equality fairness and justice the test.
