SEARCHING eyes in windows yearn,
PROMISED hour winds return,
HUMANKINDS UNFORGOTTEN dream –
CLOSER THAN IT EVER SEEMED.

DAY disembodied prophets told,
EDEN reopens wings unfold –
DEAF hear blind have sight,
LAMB WITH LION lay the night.

FORESTS of pine and fir bend low,
SHADOW MATTERS stir below –
MADMEN rave foundations shake,
DEATH UNRAVELS NATURE WAKES.

ESCHEWING hierarchy the limousine,
REACHING FOR fairness in our in-between –
HONESTY helps him see it through,
DEEPEST wishes all come true.
