

# Jennifer

**M**ountain path in winter sleep,  
Roadside pines snow drifts deep,  
Night wind as **M**iró would paint –  
**M**edieval angel post-modern saint.

**h**er spirit in each interaction,  
Radical kindness human compassion –  
**M**oon helps hold back her tears,  
No one asks she volunteers.

**P**ointing forward stands her ground,  
**M**arianne come back around –  
**M**ulti-dimensional animal lover,  
Knows how hearts yearn each other.

**A**ware profound changes needed,  
Self as separate error conceded –  
Remembering cocoon ancient spun,  
Butterfly certifies it can be done.
