Then she became the wild wind,
Seaside memory storyteller mind –
Postmodern foretold vision,
Human being on a mission.

Helper Spirit untamed goodness,
Altruistic host perfect kindness,
Dogs, children, winged friends –
Distant swirling river bends.

Columbine careful lakeside breezes,
Changing everything she teases –
When assertiveness makes all the difference,
Pathways give significance.

And Love the butterflies in chorus mention –
Half way into another dimension,
Dancing neon cumulus cloud,
Edge of what Creation allowed.
