Snowflakes icicles six foot drifts,
Sacred silence geometric shifts –
Facing difficulties no avoidance,
With your hand love stands a chance.

Incurable case of determination,
Winter harboring spring inclination –
Quiet inside search for true,
One more time the lease renew.

Serious friend resourceful congenial,
Minerva questioning what's possible –
Midnight courtships capricious moods,
Rocky Mountain interludes.

Diamond cut crystal moments,
Reliable commitments lasting covenants,
Post doctoral its all elemental –
Trajectory's all that's consequential.
