

# KATIE

**S**nowflakes icicles six foot drifts,  
Sacred silence geometric shifts,  
Facing difficulties no avoidance –  
With your hand we stand a chance.

**I**ncurable case of determination,  
Winter harboring spring inclination –  
Quiet inside search for true,  
One more time the lease renew.

**M**idnight courtships capricious moods,  
Rocky Mountain interludes –  
Serious friend living new responsible,  
Minerva suggesting miracle possible.

**E**merald cut sparkling moments,  
The goal purpose your commitments,  
The post doctoral elemental –  
Trajectory it's all consequential.
