

Mischa

Wind entangled ocean air,
Waves enfolding desperate prayer –
No need for words you just belong,
World enswirling unending song.

Ideals values living rhythms,
Unafraid of altruism –
Wild charm and beauty blessed,
Stellar evidence Venus guest.

Giving gifts helping others,
Strong minded unrepentant lover –
Human at deconstruction sites,
Kindness asks reconstruction rights.

Forget explanations yesterday gave,
Troubles serious problems grave –
Just can't let the situation drift,
Without a goal it's off the cliff.
