Must be some time after midnight,  
Virtue the quiet still candlelight –  
Snowflakes music friends taught him,  
How far love goes out on a limb.

Consistently careful stable reliable,  
David in granite incontestable –  
Puzzle solver searching a piece,  
Difficult problems on the increase.

Too complex to ever clone,  
Hard hat deconstruction zone –  
Easy feared it couldn't be,  
This eschaton eternity.

Yes, the changes if you please,  
Angels saints rivers on knees –  
Invoke heaven make a sound,  
Turn the whole world upside down.
