

Rob

Four miles further near the pass,
Where some say they saw you last –
Views to melt a frozen heart,
Heaven touches doubts depart.

Ironworker teacher type,
Anvil minded for hammering hype –
Explaining things about persistence,
Reliability pure insistence.

Treasure handed down unbroken,
Seal no one dared break open,
Nothing maybe or the world inside –
Clarity strength kindness aside.

Confident presence lover of horses,
Knows the ropes galactic courses –
If careful patient organized,
See your wishes realized.
