Woken from sleep enrapt with song,  
Possibility that took so long,  
Changing wind enchanted room –  
Chinese silk french perfume.

Cherished glowing precious embers,  
Inventive beginnings moon remembers –  
Madness fantasies lasting lessons,  
Well cut diamond endless dimensions.

Over determined you'd come through,  
Magic uncaged vision of new –  
Must have learned it from the trees,  
Mountain goats vernal breeze.

Hard working enduring undeniable,  
Fineness fitness absolutely reliable –  
One more hour now a bit longer,  
More trusting and a little stronger.
