

Sade

Woken from sleep enrapt with song,
Possibility that took so long,
Changing wind enchanted room –
Chinese silk french perfume.

Cherished glowing precious embers,
Inventive beginnings moon remembers –
Madness fantasies lasting lessons,
Well cut diamond endless dimensions.

Over determined you'd come through,
Magic uncaged vision of new –
Must have learned it from the trees,
Mountain goats vernal breeze.

Hard working enduring undeniable,
Fineness fitness absolutely reliable –
Just hold on a little longer,
Keep on trusting a little stronger.
