MORNING dusk black swan lake,
MIST and fog moonlight make –
MOTHERS babies gliding by,
ADULT wonder teenage sighs.

FRAGRANT midday summer breeze,
SWEET CONVERSATION cakes and teas,
WORDS images spinning threads –
TIGER lilies bow their heads.

PLEASURE desire gardens bring,
GRACEFUL hands gold jade rings –
INKLINGS swell feelings show,
HUMMINGBIRD lands rainforests know.

NOW Cinderella news of the day,
PRINCE a county maybe more away –
FAMINE again near paradise lost,
MOST able not yet ready to pay the cost.
