Soft warm sparrows tell,
Sea bed memories spiraling shell –
Down home feeling sunlight blessed,
Magic place perfect nest.

Rainy day recipes well kept secrets,
Easy going few regrets –
Phenomenal actual assertive concrete,
Dramatic stubborn yet discreet.

Growing changing influential role,
Incarnate love unparsed soul –
Garden family gather round,
Milky way river earthen ground.

Back to business always for real,
Shuffling the cards ready to deal –
Players all waiting for what she'll say,
Last half second that's her way.
