Carefully opening shell of day,
Waking dream sculpting clay,
Rising over fields of grain –
Being herself without restrain.

Golden sky silver threads,
Sun and moon metaphorically wed,
Lion eagle trumpeter swan –
Honesty equality justice dawn.

Often late never mind the line,
Organizing skills perfectionist signs –
Ways and means of raising dust,
Saying/doing what you simply must.

The timeless visions you're about,
Twenty-four karat inside and out,
Winning hand now the deal –
What on earth you going to make real ?
