Summer lake unexpected sweet,
Parallel lines and memory meet –
Warm assertive unshy sister,
Fullest moon must have kissed her.

Branched lightning wondrous kind –
Definitive analytical mothers mind,
Sorting through her worried dreams,
Carefully deciding what each means.

Inspired leadership taking a turn,
Changing moods creating pattern,
Giving pause making time –
Multi-dimensional complex rhyme.

Serving others truth be told,
Her golden heart a ticket holds –
Saturn asks where this trains going,
Why when and exactly how knowing.
