TURQUOISE sky sienna beach,
Puffy clouds wind in reach –
Summer smiling day dream date,
Patient evening there in wait.

VULNERABLE warm sparrow soul,
Broken hearts makes em whole –
Yes/no / on/off / clarifying mind,
Fiercely honest uncommonly kind.

A mother a home a perfect fit,
Table set candles lit –
Soul on up self organizing,
Goodness justice altruism rising.

Yet within where shadows hide,
Manitou vanish children cry –
Who you make real holds the key,
