String of pearls ocean soul,  
Morning beaches soft waves roll –  
Unfading summer edgewater words,  
Best big sister nest to a bird.

Spiraling pathway handful of shells,  
Picnics vacations wedding bells,  
Sidewalk chalk porch lemonade –  
Warm memories petals cascade.

Backyard fireflies baby deer,  
Quiet enthusiasm crystal clear –  
Showing the world a sense of home,  
Place where saints and angels roam.

Living room to kitchen table,  
Family histories legends fables –  
Can't wait to read what you will write,  
The love and goodness you invite.
