Says when you were just a kid,
Hung out where the wildness hid –
Saturday morning tales spun,
Soaring hawk warming sun.

Skilled at making all things real,
Kick start existence wide open deal –
Bearing the oceans pounding heart,
Novel leadership edgy art.

Favorite cousin for summer vacations,
Crossing borders boundaries nations –
Should have known if left to you,
Be getting into something new.

Universe answers glad you asked,
Communication describes your task –
You've got something important to say,
However you speak whichever way.
