Summer sidewalk yellow flowers,  
Sunbeam midst a morning shower –  
Wrapped in surprises new days bring,  
Meadowlark and robin sing.

Safe and warm in your cupped hand,  
Caterpillar walks never neverland,  
Raises eyes beholds your face –  
Delicate beauty gathering grace.

Sky of blue world of green,  
Hours of storytelling in-between –  
Earthen roots celestial ceiling,  
Loving home family feelings.

No better wish than with you grow,  
Everyday more about you know –  
Tell the truth and always play fair,  
Happy end fairytale prepare.
