ROWS OF STRAWBERRY fields of rye,
Thunderbeings gathering sky,
Work cut out to clear the air –
Warnings watches everywhere.

GARD'NER TO LIBRARIAN TURNED,
Roots the larger picture yearned –
Invisible dimensions beauty loving,
Focused on the worlds becoming.

TALKATIVE logical planetary,
Graduate school imaginary –
Sensitive spirit learned hands,
Words to speak of promised lands.

CONSCIOUS pathway strewn with fear,
Dream pieces shards of mirror –
“Supreme success,” Saturn encourages,
“If from shadow clarity emerges.”
