Purple iris petal morn,
Un-named valley world being born,
Sandhill baby mothers side –
Place they say angels cried.

Meadow path summer eyes,
Cottonwood clouds cerulean sky,
One way ticket butterfly trip –
Storyteller partnership.

Saint-Saëns swan Miró dream,
Forever handling what things mean –
Mind that read and study bring,
Abalone hairpin moonstone ring.

Nuanced logic sensitive feeling,
Called by Jupiter help with healing –
Show and tell what you would see,
Transition thought to reality.
