Backyard morning after rain,  
Words fail deeds claim –  
Reasoned madness dearest hamlet,  
Your depths hide beneath no secret.

Flowered passages you've translated,  
Growing needs anticipated,  
Crystal droplets playful sun –  
Waiting there since eden come.

Devoted father whatever age,  
Presentations at ease on stage,  
Gathered wisdom east and west –  
Everyday another list.

Glowing thoughts logic cold,  
Revelations weep to be told –  
Recognize home the woods the glen,  
With new beginning start again.
