STORYTELLER at the break of day,
Thinking TRAVELING untrodden ways –
Ribbons of words enchanting expressions,
MIRRORED messages indelible impressions.

MUST have read a wall of books,
Thousand NARRATIVES a second look –
High sensitivity discursive scenes,
Savvy all technological means.

UP in the cloud wildly electric,
Multi-dimensional admittedly eclectic,
Should reason and logic somehow fail –
Spreads her wings and off she sails.

ADAPTIVE communicative dialogical clock,
Venus leadership MARS non-stop talk –
With mothers care your priority,
Miracles be no rarity.
