

Unrestrained bells ringing,
Swirling possibility just beginning,
Relatively tame absolutely new –
Configuration heaven drew.

Loving trusting unpredictable season,
Special invitation timeless reason –
Opening steps pure enthusiasm,
Creating relationships crossing chasms.

Youthful memories telling sighs,
Face to face corner an eye,
Subtle intuitive just one look –
More exciting than in any book.

Hearts racing could come together,
Garden moonlight spring weather –
If you drop a note or give a call,
R.S.V.P. up to you after all.
