Lost all track of time she said,  
Wading sparkling riverbed –  
Dreamed Earth newly woken,  
Lark ascending words unspoken.

Possibilities heaven represents,  
Pleasure equality sweet innocence –  
More flowers than ever names,  
Rescue from fear greed and shame.

Blossom showers without warning,  
High energy from early morning –  
Ways once thought could never be,  
Kindness compassion new kind of free.

Vaguely recalls about some dues,  
Reality depends on what you chose –  
Listen invest take seriously consider,  
What pay attention to in time deliver.
